

The European Burden of Disease Network (EBoDN)

The BoD network of WHO Regional Office for Europe

Dr Christian Gapp – burden-EU COST Meeting – 18-19 February 2020, Copenhagen, Denmark

The Network of Networks

- Country networks on health information and evidence:

CARINFONET -
Central Asian
Republics

SCHIN - Small
Countries

...

- Technical network
EBoDN

The first meeting

September 2016, London

EUR/RC66/R12 – European action plan to strengthen the use of evidence, information and research for policy-making in the WHO European Region..

- continue to support the European Health Information Initiative (EHII) as a fundamental basis for international comparisons in population health status;
- ensure a close collaboration with Member States and the IHME, in the area of BoD;
- support the building of sustainable capacity, structures and resources in BoD methods in Member States and the conducting of BoD studies;
- encourage Member States to use BoD evidence for decision-making.

2019 - 2020

August 2019, Karolinska Institutet, Stockholm

- **Product: BoD Manual for countries, IHME lead author**
- **Experts from 16 out of 53 WHO Regional Office for Europe Member States**
- **Meeting report to be published in March 2020**
- **Membership overlap with burden-eu COST**
- **Proposal: back-to-back meeting in Brussels, summer/fall 2020**
